				100.00

Operating Instructions

Slowly add Veegum to the hot water with high stirring. Mix until hydrated. Add B and heat up to 75-80°C too with stirring. Mix until completely uniform. Add C in this order and stir until smooth and homogeneous. Add D below 30°C and stir. Add E as desired.

Directions for use:

This formulation can be used as facial cleanser or peel-off mask.

As a cleanser: apply in the morning & evening on the wet face, neck & décolleté. Avoid contact with eye area. Massage thoroughly and rinse-off well.

As peel-off mask: apply to dry skin and leave for about 10-15 minutes (until the mask dries and lifts at the edges). Peel off mask from one side.

The recommendations and formulations given are based on our knowledge and experience in the field of technical application.

They are, to the best of our belief, correct, but are offered without obligation.

Those who use our recommendations and formulations as well as those who process CLR Active Agents are themselves responsible for the adherence to prevailing statutory regulations and the observance of patent rights as well as other protective rights for other companies.

This formula has been manufactured and stability-tested using a special preservative, but has not been subjected to microbiological challenge tests.
